**YANKEETOWN ARTS & CRAFTS FESTIVAL 2018 RULES &
REGULATIONS INGLIS YANKEETOWN LIONS FOUNDATION INC
P.O. Box 314 Inglis, FL 34449**

IMPORTANT: Please read the following before signing the vendor application. Your signature on the application is your commitment to abide by the following rules and regulations. These rules have been created to help ensure a well-run, safe and fun festival for the public and our vendors. We think it helps if everyone starts with the same set of expectations. The Festival Committee wishes you a very successful event and if we can be of help or service please do not hesitate to ask. We also recognize that our vendors are the most experienced festival goers to be found. Any suggestions for improvement will be seriously considered. Inglis Yankeetown Lions Foundation, Inc reserves the right to amend these rules or make exceptions, at any time, as the Festival Committee deems appropriate.

1. APPLICATIONS: Applications are for space(s) at the Yankeetown Arts & Seafood Festival, hosted by the Inglis-Yankeetown Lions Foundation Inc (hereafter shown as IYLFI) to be held rain or shine Saturday & Sunday, Nov. 17-18, 2018 in Yankeetown, Fl. Please submit pictures of your display, menus, etc. with your application to make it easier for us to accommodate you in the best way possible. Applications will be accepted until no spaces remain or until 8:30 am on Saturday Nov. 17th, 2018 whichever occurs first.

2. CHECK-IN: Vendors are not guaranteed any particular space location. Requests for a specific space will be accommodated, as reasonably as possible, on a first application received basis. Money orders or cashier's checks will be required on or after Nov. 2, 2018. IYLFI cannot process credit or debit card transactions.

4. SPACES: Each Art/Craft space is 15 ft. frontage x approximately 10 ft depth. Spaces may be road berm, easement or frontage and not level. Come prepared. This is for the safety and convenience of both our vendors and festival guests. This will be strictly enforced. If a vehicle is part of your display, pictures MUST be submitted in advance with your application and approved by IYLFI. You may be required to purchase multiples spaces to accommodate the size of your display.

If you parked a vehicle in the festival area in previous years this will not be "grandfathered".

will be solely at the owner's expense.

We have a limited number of reserved parking spaces available. If you have handicap parking approval from the State you may ask to have a reserved parking festival permit. You must have both to park in the spaces we designate for special parking. Both the state and festival permits must be displayed in plain view. These spaces are filled on a first application in basis. We will do our best to accommodate your needs.
